life to its full

Creating a Home from Home

Originally a private house, Wrawby Hall has been carefully converted and extended to create a pleasant, well-equipped home.

We are committed to making you feel at home by ensuring a warm friendly environment. All of our bedrooms are attractively decorated and offer single accommodation.

We encourage everyone to bring in their own personal belongings such as photographs and ornaments and we will decorate your own room to your preference.

At mealtimes our Chef prepares delicious home cooked meals, planning these around your own dietary needs and likes.

We recognise that mealtimes are an extremely important part of the day. You can choose to take your meals in our dining room, in front of the TV or in your own bedroom – it is your choice.

Complementing our dining room we have a choice of well furnished lounges where you can sit and chat, catch up on some TV or listen to music.

sociable occasions”

Types of Stay

At Wrawby Hall, we treat everyone as an individual. For this reason we offer several types of stay depending on the level of support you require. Whilst most of the people choose to live permanently at the home, we do have a number of guests who choose to stay with us for shorter periods – respite or day care. Many people find that this gives them a rest from their own home or the opportunity for their main carer to take a short break.

Experienced Staff who are on duty
every hour of every day

Caring for You

We have a dedicated team of experienced Health Care Assistants who are on duty every hour of every day to offer you round the clock care and support.

We provide full wheelchair access to all areas of the home to make getting around as easy as possible, there is a call system in every bedroom, bathroom and toilet alongside call bells in all communal areas – so you are never out of reach.

Our staff ensure there's always something enjoyable to do – everything from the weekly baking club, games, craft afternoons, readings, church services to themed evenings and entertainment. Friends and relatives are always welcome to join in.

At Wrawby Hall it is easy to make new friends and enjoy the company of other residents if you wish.

Admission and Fees

Prior to admission you are invited to visit the home, stay for dinner or even overnight. The first few weeks will always be treated as a trial period, at the end of which you can make your decision – “is the home right for you?”

The Home Manager will also discuss your care needs with you and your health professionals - to ensure that we can meet all of your needs.

Our fees vary depending on the level of care, type of accommodation and length of stay you require. Prices cover single rooms, full board, 24 hour care and laundry.

Our Home Manager can provide the full details and cost of any extra services we offer; and information about the terms of your stay.
